Global Hematopoietic Stem Cell Transplantation (HSCT) Market: Overview

This report on Hematopoietic Stem Cell Transplantation (HSCT) market studies the current as well as future prospects of the market globally. The stakeholders of this report include companies and intermediaries engaged in the manufacture and commercialization of HSCT as well as new entrants planning to enter this market.

This report comprises an elaborate executive summary along with a market snapshot providing overall information of various segments and sub-segments considered within the scope of the study. This section also provides the overall information and data analysis of the global HSCT market with respect to the leading market segments based on transplants types, disease indication, applications and geographies.

The market overview section of the report explores the market dynamics such as drivers, restraints, and opportunities that currently have a strong impact on the global hematopoietic stem cell transplantation (HSCT) market and could influence the market in the near future. Market attractiveness analysis has been provided in all the sections of the report in order to explain the intensity of competition in the market across different transplants/disease indication/applications/geographies. All these factors would help market players to take strategic decisions in order to strengthen their positions and expand their shares in the global market.

Global Hematopoietic Stem Cell Transplantation (HSCT) Market: Segmentation

The global hematopoietic stem cell transplantation (HSCT) market is divided into: by transplant type, by disease indication, by application and by geography. Transplant type segment of HSCT market was divided into autologous transplant and allogeneic transplant. While allogeneic transplant was further segmented into family related and unrelated transplant. On the basis of disease indication the market was divided into lymphoproliferative disorders, leukemia, non-malignant disorders. On the basis of application the hematopoietic stem cell transplantation (HSCT) market is divided as peripheral blood stem cells transplant (PBSCT), bone
marrow transplant (BMT), and cord blood transplant (CBT).

Geographically, the hematopoietic stem cell transplantation (HSCT) market has been segmented into five regions: North America, Europe, Asia Pacific, Europe, Middle East & Africa (MEA), and Latin America. Each regional market for HSCT market has been further categorized into major transplant type, disease indication, and application segments considered within the scope of the study. Key country (U.S., Canada, Japan, Germany, France, U.K., Australia, Canada, China, Brazil, Mexico, India, etc.) market revenues have also been provided in different regional sections within the report.

The market for these segments has been extensively analyzed based on their utility, effectiveness, sales, and geographic presence. Market revenue in terms of US$ Mn and market volume in terms of units for the period from 2017 to 2025, along with the compound annual growth rate (CAGR %) from 2017 to 2025) are provided for all segments, considering 2016 as the base year. Market revenue in terms of US$ Mn and volume in terms of units for the period from 2015 to 2025 along with CAGR % from 2016 to 2025 are provided for all the regions and nations considering 2016 as the base year.

Companies Mentioned in the Report

The report profiles key manufacturers in the hematopoietic stem cell transplantation (HSCT) Market based on various attributes such as company details, SWOT analysis, strategic overview, financials, and business overview. Major players profiled in this report include Regen Biopharma, Inc., Escape Therapeutics, Inc., Lonza Group Ltd., and Pluristem Therapeutics Inc.

The global hematopoietic stem cell transplantation (HSCT) Market has been segmented as follows:

By Transplant Type

- Allogeneic
- Family Related
- Unrelated
- Autologous

By Disease Indication
By Application

- Peripheral Blood Stem Cells Transplant (PBSCT)
- Bone Marrow Transplant (BMT)
- Cord Blood Transplant (CBT)

By Region

- North America
- Europe
- Asia Pacific
- Latin America
- Middle East and Africa

Table Of Content

Notes:

Table of Content

Section 01 Preface
1.1. Report Scope and Market Segmentation
1.2. Research Highlights

Section 02 Assumptions and Research Methodology
2.1. Assumptions and Acronyms Used
2.3. Research Methodology

Section 03 Executive Summary
3.1. Global Hematopoietic Stem Cell Transplantation (HSCT) Market Snapshot
Section 04 Market Overview
4.1. Transplant Overview
4.2. Key Industry Developments
4.3. Key Market Indicators

Section 05 Market Dynamics
5.1. Opportunity Analysis
5.2. Drivers and Restraints Snapshot Analysis
5.3. Drivers
5.3.1. Rising prevalence of hematological disorders
5.3.2. Increase in success rates of transplantation
5.3.3. Favorable reimbursement policies & fervent funding
5.3.4. Increasing patient awareness and health care expenditure
5.3.5. Increase aging population
5.4. Restraints
5.4.1. Insufficient allogeneic donors
5.4.2. Potential complications and side effects of HSC transplant
5.4.3. High cost of transplants
5.4.4. Drug development may impact HSC transplant rates
5.5. Porters Analysis

Section 06 Global Hematopoietic Stem Cell Transplantation (HSCT) Market Analysis, by Transplant Type
6.1. Key Findings
6.2. Introduction
6.3. Market Forecast by Transplant Type
6.3.1. Autologous
6.3.1.1 Family Related
6.3.1.2 Unrelated
6.3.2. Allogeneic
6.4. Global Hematopoietic Stem Cell Transplantation (HSCT) Market Attractiveness Analysis, by Transplant Type
6.3. Key Trends

Section 07 Global Hematopoietic Stem Cell Transplantation (HSCT) Market Analysis, by Disease Indication
7.1. Key Findings
7.2. Introduction
7.3. Market Forecast by Indication
7.3.1. Lymphoproliferative disorders
7.3.2. Leukemia
7.3.3. Non-malignant Disorders
7.4. Global Hematopoietic Stem Cell Transplantation (HSCT) Market Attractiveness Analysis, by Disease Indication

Section 08 Global Hematopoietic Stem Cell Transplantation (HSCT) Market Analysis, by Application
8.1. Key Findings
8.2. Introduction
8.3. Market Forecast by Application
8.3.1. Peripheral Blood Stem Cells Transplant (PBSCT)
8.3.2. Bone Marrow Transplant (BMT)
8.3.3. Cord Blood Transplant (CBT)
8.4. Global Hematopoietic Stem Cell Transplantation (HSCT) Market Attractiveness Analysis, by Application
8.5. Key Trends

Section 9 Global Hematopoietic Stem Cell Transplantation (HSCT) Market Analysis, by Region
9.2. Global Hematopoietic Stem Cell Transplantation (HSCT) Market Value Share Analysis and Market Attractiveness Analysis, by Region
9.2.1. North America
9.2.2. Europe
9.2.3. Asia Pacific
9.2.4. Latin America
9.2.5. Middle East & Africa

Section 10 North America Hematopoietic Stem Cell Transplantation (HSCT) Market Analysis
10.1. Key Findings
10.2. Market Overview
10.3. North America HSCT Market Value Share Analysis, by Transplant Type
10.4. North America HSCT Market Forecast, by Transplant Type
10.5. North America HSCT Market Value Share Analysis, by Transplant Type
10.6. North America HSCT Market Forecast, by Disease Indication
10.7. North America HSCT Market Value Share Analysis, by Disease Indication
10.8. North America HSCT Market Forecast, by Disease Indication
10.9. North America HSCT Market Value Share Analysis, by Application
10.10. North America HSCT Market Forecast, by Application
10.11. North America HSCT Market Forecast, by Application
10.15. North America HSCT Market Attractiveness Analysis
10.16. Key Trends

Section 11 Europe Hematopoietic Stem Cell Transplantation (HSCT) Market Analysis

11.1. Key Findings
11.2. Market Overview
11.3. Europe Hematopoietic Stem Cell Transplantation (HSCT) Market Value Share Analysis, by Transplant Type
11.4. Europe HSCT Market Forecast, by Transplant Type
11.5. Europe HSCT Market Value Share Analysis, by Transplant Type
11.6. Europe HSCT Market Forecast, by Disease Indication
11.7. Europe HSCT Market Value Share Analysis, by Disease Indication
11.8. Europe HSCT Market Forecast, by Disease Indication
11.9. Europe HSCT Market Value Share Analysis, by Application
11.10. Europe HSCT Market Forecast, by Application
11.11. Europe HSCT Market Forecast, by Application
11.12. Europe HSCT Market Value Share Analysis, by Country
11.13. Europe HSCT Market Forecast, by Country
11.15. Europe HSCT Market Attractiveness Analysis
11.16. Key Trends

Section 12 APAC Hematopoietic Stem Cell Transplantation (HSCT) Market Analysis

12.1. Key Findings
12.2. Market Overview
12.3. APAC HSCT Market Value Share Analysis, by Transplant Type
12.4. APAC HSCT market Forecast, by Transplant Type
12.5. APAC HSCT Market Value Share Analysis, by Transplant Type
12.6. APAC HSCT Market Value Share Analysis, by Disease Indication
12.7. APAC HSCT Market Value Share Analysis, by Disease Indication
12.8. APAC HSCT Market Forecast, by Disease Indication
12.9. APAC Hematopoietic Stem Cell Transplantation (HSCT) Market Value Share Analysis, by Application
12.10. APAC HSCT Market Forecast, by Application
12.11. APAC HSCT Market Forecast, by Application
12.12. APAC HSCT Market Value Share Analysis, by Country
12.13. APAC HSCT Market Forecast, by Country
12.15. APAC HSCT Market Attractiveness Analysis
12.16. Market Trends

Section 13 Latin America Hematopoietic Stem Cell Transplantation (HSCT) Market Analysis

13.1. Key Findings
13.2. Market Overview
13.3. Latin America HSCT Market Value Share Analysis, by Transplant Type
13.4. Latin America HSCT market Forecast, by Transplant Type
13.5. Latin America HSCT Market Value Share Analysis, by Transplant Type
13.6. Latin America HSCT Market Value Share Analysis, by Disease Indication
13.7. Latin America HSCT Market Value Share Analysis, by Disease Indication
13.8. Latin America HSCT Market Forecast, by Disease Indication
13.9. Latin America HSCT Market Value Share Analysis, by Application
13.10. Latin America HSCT Market Forecast, by Application
13.11. Latin America HSCT Market Forecast, by Application
13.12. Latin America HSCT Market Value Share Analysis, by Country
13.13. Latin America HSCT Market Forecast, by Country
13.15. Latin America HSCT Market Attractiveness Analysis
13.16. Market Trends

Section 14 Middle East & Africa (MEA) Hematopoietic Stem Cell Transplantation (HSCT) Market Analysis
14.1. Key Findings
14.2. Market Overview
14.3. MEA HSCT Market Value Share Analysis, by Transplant Type
14.4. MEA HSCT Market Forecast, by Transplant Type
14.5. MEA HSCT Market Value Share Analysis, by Transplant Type
14.6. MEA HSCT Market Value Share Analysis, by Disease Indication
14.7. MEA HSCT Market Value Share Analysis, by Disease Indication
14.8. MEA HSCT Market Forecast, by Disease Indication
14.9. MEA HSCT Market Value Share Analysis, by Application
14.10. MEA HSCT Market Forecast, by Application
14.11. MEA HSCT Market Forecast, by Application
14.12. MEA HSCT Market Value Share Analysis, by Country
14.13. MEA HSCT Market Forecast, by Country
14.15. MEA HSCT Market Attractiveness Analysis
14.16. Market Trends

Section 15 Competition Landscape
15.1. Company Profiles
15.1. Regen Biopharma, Inc.
15.1.1. Company Details
15.1.2. Business Overview
15.1.3. Financial Overview
15.1.4. Strategic Overview
15.1.5. SWOT Analysis
15.2. Escape Therapeutics, Inc.
15.2.1. Company Details
15.2.2. Business Overview
15.2.3. Financial Overview
15.2.4. Strategic Overview
15.2.5. SWOT Analysis
15.3. Cryo-Save AG
15.3.1. Company Details
15.3.2. Business Overview
15.3.3. Financial Overview
15.3.4. Strategic Overview
15.3.5. SWOT Analysis
15.4. Lonza Group Ltd
15.4.1. Company Details
15.4.2. Business Overview
15.4.3. Financial Overview
15.4.4. Strategic Overview
15.4.5. SWOT Analysis
15.5. Pluristem Therapeutics Inc.
15.5.1. Company Details
15.5.2. Business Overview
15.5.3. Financial Overview
15.5.4. Strategic Overview
15.5.5. SWOT Analysis
15.6.1. Company Details
15.6.2. Business Overview
15.6.3. Financial Overview
15.6.4. Strategic Overview
15.6.5. SWOT Analysis
15.7. CBR Systems, Inc.
15.7.1. Company Details
15.7.2. Business Overview
15.7.3. Financial Overview
15.7.4. Strategic Overview
15.7.5. SWOT Analysis
15.8. ViaCord Inc.
15.8.1. Company Details
15.8.2. Business Overview
15.8.3. Financial Overview
15.8.4. Strategic Overview
15.8.5. SWOT Analysis
